Dear Joanie,

I wanted to write you to let you know how much I appreciate the work that you did for my company. You took a good logo and made it better! I absolutely love it. I think that you really captured the true essence of what we do and your color choice was impeccable. The new version of our logo is a better representation of what we are all about, and it hits the mark dead on. Thank you- it is exactly what I wanted !

I have worked with many graphic companies in the past, and I can say without exception that I have never had such a flawless experience as I had with you. Your fast turn around and professionalism coupled with how you listened to what I wanted really made me feel like my business mattered to you. Keep up the exceptional work, we will be coming back to you soon with some new projects.

Best Regards,
Andrea Frayser

President
